I would like Chrichurch Council promote more about our city both events and places, maintain the image of our garden city and safety around the city.

Try to keep up with graffiti especially on the christchuch sign, cleanness in every parks and recreational area.

As our image as a clean,green country and our city as a garden city so we should be able to keep up with our image in order to get tourists to attact to our city. Safety is our arising issue for tourists to come here and be safe.

Which principles and/or provisions of the Draft Amended Development Contributions Policy (DCP) do you support and why?

Which principles and/or provisions of the Draft Amended DCP do you oppose and why?

What exactly do you want the Council to do about the Draft Amended DCP?
