Date:

11/5/2007

Your Submission:

This submission is from the Akaroa Harbour Issues Working Party Group . Our group focus on activities associated with the Akaroa with a number of organisations including the CCC ,Ecan, Recreational Fisheries, Federated Farmers ,the Department of Conservation etc. One of the issues we have been involved with is a Composting Toilet at Sandy Point. We are aware that the Takamatua Residents Association has made a submission to the Banks Peninsula Community Board. The Akaroa harbour Issues Working Party Group would like to endorse the submission for the composting toilet in this well used recreational area in Takamatua, Sandy Point.
The Akaroa Issues working party would also like to extend our thanks for the ongoing support given by the CCC .Learning and understanding what is happening around our harbours is important and no better way than to work alongside the scientists , researchers , provide the water collectors etc.
