

14. CHARGING FOR OCCUPATION OF RESERVE LAND

RR 7325

Officer responsible Parks Manager	Author Barbara Ford, Community Manager
Corporate Plan Output: Consents - Leases Vol.3 9.48	

The Area Parks Officer (John Allen) reported to the April Board meeting on the recent document sent to all sports clubs and community groups who occupy reserve land on proposed changes for such occupation.

Board members were invited to a seminar held at Fendalton on this topic, however because of the time of the seminar, members were unable to attend.

Because this is an important issue for many sports clubs and groups, it is felt that members should have the opportunity to receive further information.

Member are asked bring the document “Charges for Occupation of Reserve Land” to the meeting.

John Allen will be in attendance at the meeting.
