

10. DRAFT YOUTH POLICY AND STRATEGY

RR 7401

Officer responsible Community Manager	Author Barbara Lindsay, Committee Secretary
Corporate Plan Output: Elected Member Advice	

At the April meeting Robyn Moore, Youth Advocate and Dave Hinman, Principal Policy Analyst introduced the report of the Youth Strategy Working Party. Since this meet the Draft Policy has been produced and circulated separately to each Board member.

The Board decided:

1. To establish a committee of the Board to meet following the May Meeting.
2. To invite the North/West Principals' Cluster to attend the committee meeting.

Feedback on the draft policy is sought by 26 May. It would be helpful to establish the membership of this committee and set a date for it to meet.

Chairperson's

Recommendation: That membership of the committee be established and a date be set for the committee to meet to look at the draft policy.
