

<b>Officer responsible</b> Community Advocate, Beckenham	<b>Writer</b> Elaine Greaves, Community Secretary
Corporate Plan Output:	

The purpose of this report is to seek the Board's input as part of a service review being undertaken by the Canterbury Regional Council for the following bus services in the Spreydon-Heathcote Community Board area, prior to their re-tender:

- Lyttelton/Rapaki (28) Monday to Saturday

The review process is undertaken to ensure that Canride services continue to meet community needs. Consultation with Community Boards, residents groups, bus users and other interested members of the public is therefore an essential part of this review process.

Accordingly, the Canterbury Regional Council is seeking submissions from the Spreydon-Heathcote Community Board regarding improvements to the above Canride service. These comments will be incorporated into an issues and options paper and presented to Regional Councillors later this year. From this, any specific improvements identified will be presented back to the community for comment.

The Regional Council has requested that this particular service be considered by the Spreydon-Heathcote Community Board at its 13 April meeting, and suggestions reported back as soon as possible after that date. Copies of the existing timetables are attached for your consideration.

Board members are requested to have comments ready for discussion at the Board meeting.

**Recommendation:** For discussion.
