Canterbury Waste Services Ltd has advised that today's briefing of the Subcommittee will be comprehensive explaining the site selection approach in detail. However a recommendation on the preferred site/sites anticipated at this meeting cannot be made. It is anticipated that a recommendation is not now likely until September or October 1999.

The meeting schedule has been amended to accommodate this. The meeting scheduled for later this month will now be held at 10.00 am on 7 September 1999.

**Chairman's**

**Recommendation:** That the next meeting of the Subcommittee be held at 10.00am on Tuesday 7 September 1999.
