At the Council meeting scheduled to be held on 26 August consideration is to be given to the above clause.

The recommendations before the Council are:

- “1. That the Council not make a submission on the (Private Members) Bill, but that Community Board Chairpersons make a submission on behalf of their Boards if the Boards so wish.*
- 2. That the Council not institute a review of the function and role of Community Board members at this time but that any problems in the implementation of current terms of reference be referred to the City Manager for resolution”.*

At the time of drafting this report the outcome from the Council is unknown. The item has however been placed on today’s agenda so that the Board can consider, and resolve, if necessary.
