The Community Development Adviser comments:

“In acknowledgement of the Council’s responsibilities to the Treaty of Waitangi, it has been the Council’s recommendations that each funding committee have a representative of the tangata whenua. This Board has followed that recommendation. The first such representative was the late Sissie McGregor, who was followed by Brenda Lowe-Johnson.”

1. That the Board confirm this appointment and thank the Te Runaka ki Otautahi O Kai Tahu for its co-operation in making this appointment.
2. That Sandy Hunt be written to, welcomed to the position and thanked for undertaking this important community task.
