

Officer responsible <b>City Streets Manager</b>	Author <b>Peter Atkinson , Area Engineer ( Central City)</b>
Corporate Plan Output: <b>On Street Management</b>	

The purpose of this report is to create a P60 parking restriction in Crambridge Terrace.

The residents in the section of Cambridge Terrace between Kilmore Street and Barbadoes Street have requested a parking restriction to enable visitors to the area to be able to park. This is an area where there is extensive all day commuter parking.

To assist with this problem it is proposed to create a P60 parking restriction on the southeastern side of the street adjacent to the Avon River. This restriction is support by al the nearby residents and the Parking Operations Manager.

**Recommendation:** That a parking restriction with a time limit of 60 minutes be created on the southeastern side of Cambridge Terrace commencing at a point 50 metres measured in a south westerly direction from a point opposite the southern kerbline of Peterborough Street and extending in a south westerly direction for a distance of 18 metres.

**Chairman's Recommendation:** That the officer's recommendation be adopted.
