The purpose of this report is to extend a proposal to meet with inner city resident groups, located within the four avenues, to resident groups on a city wide basis..

The Committee is aware that there are environment issues extending over the whole of the city and as a means of addressing these, a timetable for meeting residents' groups is proposed as follows:

2 March Central City  
13 April Burwood/Pegasus  
11 May Papanui/Shirley  
8 June Spreydon/Heathcote  
6 July Fendalton/Waimairi  
10 August Hagley/Ferrymead  
14 September Riccarton/Wigram.

Some arrangements are in hand for the first meeting, with two representatives from each resident group within the area to be invited.

**Chairman's**

- Recommendation:**
1. That a series of seminars on city environment issues be held with representatives of all resident groups be planned.
  2. That the first seminar to be held with resident groups on 2 March 1999, be the central city groups, as a precursor to the Mayoral forum.
