

2. DEPUTATIONS BY APPOINTMENT

2.1 TEMPLETON RESIDENTS ASSOCIATION TEMPLETON TOWNSHIP ENTRANCE UPGRADE

Messrs Tony Hampton and Warren Newell, representing the Templeton Residents Association, will be in attendance to promote its proposal for enhancement/improvement at the Kirk Road/Main South Road intersection.

The attached concept plan has been undertaken through the Council.

There will need to be discussions with City Streets, Parks, possibly Water Services Units of Council, as well as Tranzrail and Transit New Zealand.

The question of funding this work, and the estimated cost of the work, can be discussed following the deputation's presentation, perhaps.
