

11. UPPER RICCARTON LOCAL AREA TRAFFIC MANAGEMENT SCHEME RR 8974

Officer responsible City Streets Manager	Author Paul Burden, Community Engineer
Corporate Plan Output: Local Traffic Management	

The purpose of this report is to present the draft Upper Riccarton Local Area Traffic Management Scheme to the Community Board and gain approval to circulate it to the public for comment. (A copy of the LATMS and a copy of the summary document is circulated with the agenda).

A very well attended public meeting was held on Wednesday 12 August 1998 to consider traffic safety improvements for inclusion in the LATMS. The issues raised are outlined in the list of concerns in the draft plan.

The draft LATMS has been examined and approval by City Streets and Environmental Policy and Planning staff during the technical review process.

DISTRIBUTION AND PUBLICITY

- All those who attended the public meeting in August 1998 will receive a copy of the summary document. (45).
- Local schools will receive two copies of the LATMS document and five summary documents.
- Counter copies of the LATMS and summary documents will be available from Sockburn and Riccarton Service Centres.
- Small article in the local community newspapers.
- Cost of counter copies will be: Summary documents \$2.00 per pamphlet; LATMS documents \$18.00 each.

SUBMISSIONS

These will be received from the above sources and/or the wider community prior to 30 April 1999.

ASSESSMENT

All submissions will be carefully assessed and appropriate changes incorporated into the final document which will be referred back to the Community Board for adoption.

- Recommendation:**
1. That the draft Upper Riccarton Local Area Traffic Management Scheme be circulated for public comment.
 2. That the proposed consultation steps be accepted.

Chairperson's

Recommendation: That the officer's recommendation be adopted and that further consideration following public consultation be undertaken by the Works and Traffic Committee.
