

6. ROAD SAFETY FOR SCHOOLS STEERING GROUP

RR 10202

Officer responsible Mark Gordon Manager	Author Lee Kelly, Schools Advocate
Corporate Plan Output: Road Safety page 9.6 text 8	

The purpose of this report is to update the Committee of progress achieved in 'improving road safety for schools' as set out in the terms of reference for the Road Safety for Schools Steering Group, adopted by Council in July 1997. Councillor Ron Wright chairs this group. Councillor Sally Thompson is deputy chair.

The report (attached) sets out to inform Committee members of some of the road safety projects that the Steering Group has been actively involved in the road safety programmes that it has responsibility for, and the positive impact that these initiatives and programs have had on the Community.

Chairman's

Recommendation: That the information be received.
