The Spreydon/Heathcote Community Board and the Fendalton/Waimairi Community Board have been informed of a proposed trial cross suburban bus route.

The Canterbury Regional Council proposes a bus route from Northlands Mall to Princess Margaret Hospital. It is intended that the service commence in July 1999.

Approval has been sought for some bus stop locations.

The report to the Spreydon/Heathcote Community Board is attached. The recommendations were adopted by the Board at its meeting on 1 June.

The Fendalton/Waimairi Community Board held a special meeting on 2 June to consider the location of bus stops. This meeting was held in the light of the concerns addressed by residents opposed to the siting of some bus stops.

The meeting of the Board on 2 June resolved:

*“That a meeting between the Fendalton/Waimairi Community Board, the Chairman of the City Services Committee of the Christchurch City Council, appropriate Canterbury Regional Council elected members and staff from both Councils be sought to discuss the bus stop issues in light of the residents’ concerns as expressed at the special Board meeting of 2 June 1999.*

A report from the meeting earlier today will be tabled at the Committee meeting.
