

Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer
Corporate Plan Output: Street Marking and Signs 9.6.9	

The purpose of this report is to ask the Board to request Council for approval to relocate the existing bus stop on the west side of Estuary Road outside number 402, to outside number 398 Estuary Road. As shown on the attached map (*see page 19*).

Mrs P M Goldstone of 398A Estuary Road has requested the installation of a seat at the existing bus stop outside 402 Estuary Road. Mrs Goldstone and other elderly residents in this area use the bus service for transport to Burwood Hospital and have requested the provision of a seat. The owners of 402 Estuary Road, disagreed with the installation of a seat outside their property. However, Mrs Goldstone has agreed to the bus stop and a seat being installed outside her property.

The owners of the properties at 398 and 392 Estuary Road are agreeable to the relocation, and for the installation of a bus seat. The Canterbury Regional Council is also agreeable to the proposed bus stop relocation.

Recommendation: That the Board recommends to Council the following bus stop change:

1. That the bus stop installed on the west side of Estuary Road, in line with the property boundary of 402/404 Estuary Road, be revoked.
2. That a bus stop be installed on the west side of Estuary Road in line with the property boundary of 398/398A and 392 Estuary Road.

Chairperson's

Recommendation: That the aforementioned recommendations be adopted.
