

7. FAIRWAY DRIVE - "GIVE WAY" SIGN

RR 9517

Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer
Corporate Plan Output: Signals Signs and Shelters 9.5.94	

The purpose of this report is to seek Board approval to install a "Give Way" sign in Fairway Drive at the intersection with Lake Terrace Road.

Concern has been expressed by residents and clients of Suburban Estates with regard to traffic movements at the intersection of Fairway Drive and Lake Terrace Road. There is confusion of right of way when a vehicle wishes to make a right turn into Fairway Drive at the same time as a vehicle wishes to make a right turn out.

It is also a concern that a vehicle waiting to turn right into Fairway Drive is caught in the main traffic flow. Lake Terrace Road has a collector road status with an average daily traffic count of 5,000 vehicles.

The installation of a "Give Way" sign will improve the safety at this intersection.

Recommendation: That a "Give Way" sign be placed against Fairway Drive at its intersection with Lake Terrace Road.

Chairperson's Recommendation: That the aforementioned recommendation be adopted.
