The Council at its meeting on 25 March considered a report from the Parks and Recreation Committee entitled “New Brighton Park/Peter Landscape Development”. The purpose of the report was to seek the reallocation of funding within the Parks Unit’s 1998/99 sub-budget.

Included in this report was reference to the 1999/2000 landscape budget for New Brighton park of \$23,500 and the New Brighton car park special fund of approximately \$50,000.

Following consideration of this request Council resolved the following:

1. That the landscape and car parking development work be funded from the following sources:
 - New district playground funds of \$111,500.
 - 1999/2000 landscape budget of \$23,500 for New Brighton beach park.
 - New Brighton car park special fund, which has a current balance of approximately \$50,000.
2. That this decision be referred to the Burwood/Pegasus Community Board for its information.

Members are advised that as resolution (1) above covers the subject of item 12 on today’s agenda the Board will now not be required to recommend a course of action to Council as the decision has already been made.

Chairperson’s

Recommendation: That the information be received.
