The purpose of this report is to inform the Committee of the Public Health Association, Canterbury seminar entitled **“Working Together for Health: Collaboration in Canterbury”**.

The seminar will be held on **17 March 1999** at the Horticultural Hall, Hagley Park, Christchurch.

The Public Health Association is a voluntary organisation which provides a forum for the exchange of information about public health. It aims to promote informed public debate on health and health service and to participate in the formulation and evaluation of health policy.

This seminar focuses on how we can work together to provide the best health outcomes for the people of Canterbury. It will provide a good overview of health issues and health services in Canterbury.

A brochure outlining the programme is attached to this report.

- Recommendation:**
1. That the Committee note that this seminar will be taking place in Christchurch in March 1999.
 2. Committee members with an interest in health attend this seminar.

Chairman’s Recommendation: That Councillors Baker, Keast and Austin attend the seminar.
