

5. CORRESPONDENCE

a) NEIGHBOURHOOD WEEK

Mrs Jane Potts of Santa Maria Avenue has written to seek the support of the Board for a street party to be held as part of Neighbourhood Week. Mrs Potts writes:

“I am writing to apply for funds for a “street party” to be held as part of Neighbourhood Week at the end of the cul-de-sac where I live. There are 9 houses in that area – approx 18 adults and 5 children, and I had thought of holding a BBQ, with balloons & a lolly scramble for the children & some novelty races for both children & adults alike, with prizes. It would have to be a weekend event – either 6th or 7th of March. I can supply a BBQ & gas, & I would like funding of \$100, or approx \$4 per person, which should cover everything else. I look forward to hearing from you.”

Chairman’s

Recommendation: That the Board give the \$100 requested from the provision made by the Board for Neighbourhood Week.
