

8. PAPARUA STOCK WATER RACE

RR 9582

Officer responsible Community Manager	Author Roger Cave, Community Secretary
Corporate Plan Output: Water Services – Waterways and Wetlands 9.3.18	

Following the informal joint Board seminar with the Fendalton/Waimairi Community Board held on Monday 22 March, a brief report on the outcomes will be circulated to members prior to our Board meeting.

The basis of a recommendation from that meeting was that the Council, in conjunction with the Selwyn District Council develop a long term asset management plan on the scheme and that it also identify cost sharing partnerships.

Chairperson's

Recommendation: For discussion on receipt of further information.
