Corporate Plan Output: Elected Member Representation 3.1. text. 10	

The purpose of this report is to nominate a representative to a further community group, on its request.

At the February meeting a member was assigned to each residents' association and community group within the Shirley/Papanui area. Since that time a letter has been sent to all organisations advising the name and contact details of their liaison member.

An approach has been made by the St Albans Educare to have a member nominated to their preschool. As the Redwood Creche is represented, it was obviously an oversight not to include St Albans Educare.

**Recommendation:** That a Board member be nominated to be the liaison person with the St Albans Educare preschool.

**Chairperson's Recommendation:** That one of the Shirley members be elected to this position.
