

**16. PORT HILLS PARK TRUST BOARD
REQUEST FOR FUNDING**

RR 9425

Officer responsible Community Advocate, Beckenham	Writer Elaine Greaves, Community Secretary
Corporate Plan Output: Board Discretionary Funds	

The purpose of this report is to update the Board with a further quote for work on the Mt Vernon Track for the disabled.

The Board will recall Murette Taylor speaking at its 17 November 1998 meeting, when she provided a quote from Studio 33 for \$1,500 + GST (attached). The Board resolved:

“That it allocate up to a maximum sum of \$1,500 from its Discretionary Fund to the Port Hills Park Trust Board, for the purpose of obtaining detailed plans/working drawings for a proposed walkway for the disabled at Mt Vernon, subject to obtaining further competitive quotes for the work.”

Attached is a further quote received from Peter Rough Landscape Architects for \$1,850 + GST.

Recommendation: That the Board consider allocating funding for this project based on the attached two quotes.
