

Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer
Corporate Plan Output: Signals Signs and Shelters 9.5 94	

The purpose of this report is to request the Board's recommendation to Council for the extension of the existing P30 parking restrictions outside the chemist shop on Marshland Road.

Mr K Elliott of Elliotts Amcal Chemist at The Palms, supported by seven other people with an interest in businesses in this area, has requested the extension to the P30 parking on Marshland Road to assist short term parking for the adjacent retail shops. In July 1998 The Palms Village Post Office and Private Boxes were moved to the Elliott Amcal Chemist Shop in the Westpac Trust building.

Now that the physical changes to the Palms entrance of Marshland Road are complete, it is logical to extend the existing P30 parking restriction to include the two remaining all day parking spaces.

The Parking Operations Manager is agreeable to the extension of the P30 parking in this area.

Recommendation: That the Board recommend the following parking changes to Council:

1. That the parking of vehicles to a maximum period of 30 minutes on the eastern side of Marshland Road, commencing at a point 160 metres from its intersection with New Brighton Road and extending in a northern direction for a distance of 19 metres be revoked.
2. That the parking of vehicles be restricted to a maximum period of 30 minutes on the eastern side of Marshland Road, commencing at a point 160 metres from its intersection with New Brighton Road and extending in a northern direction for a distance of 32 metres.

Chairperson's

Recommendation: That the aforementioned recommendations be adopted.
