

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Peter Atkinson, Area Engineer
Corporate Plan Output: On-street Operations Page 9.6.12	

The purpose of this report is to extend the time of operation of an existing P15 parking restriction in Worcester Street.

On the south side of Worcester Street immediately to the west of the Fitzgerald Avenue intersection there is an existing P15 parking restriction. This parking restriction is adjacent to a small shopping centre which includes a Food Store-Dairy, Hair Salon and Dress Shop although this shop appears to be temporarily in use as a dwelling unit. On the northern side of the road a large residential complex has recently been constructed. Visitors and residents in the area are now occupying the existing parking restriction outside the standard hours and affecting the operation of the Foodstore-Dairy which operates 7 days a week and late into the evening.

The standard hours for the existing P5 parking restriction are: 8 am to 6 pm Monday to Saturday. It is proposed to extend the existing restriction to apply at all times. This extension of hours is supported by the Parking Manager and the two businesses presently operating at the site .

- Recommendation:**
1. That a P15 parking restriction at all times be created on the southern side of Worcester Street commencing at a point 6 metres measured in an westerly direction from a point opposite the western kerbline of Fitzgerald Avenue and extending in a westerly direction for a distance of 20 metres.
  2. That the existing parking restriction in the above described area be revoked.

**Chairperson's**

**Recommendation:** That the above recommendation be adopted.
