

10. ARTIFICIAL RECHARGE SEMINAR

The Regional Council is hosting a seminar on artificial recharge on Tuesday, 25 May 1999 in the Seminar Room of the Open Polytechnic, 3rd Floor, 50-56 Kilmore Street (next to the Regional Council building).

Invitations have been sent to a number of individuals and organisations including City Councillors and staff. An agenda is attached for the Committee's information. The Committee's participation in the workshop is most welcome.

Chairman's

Recommendation: For discussion.
