

### **3. TRUCK ART DRAW**

The winner of the Truck Art Competition will be drawn at the present meeting of the Committee.

The competition is a joint initiative of the City Streets and Water Services Units, with third and fourth form high school students competing for the chance to have their artwork placed on the sides of the four City Streets litter trucks and the two Water Services floating litter traps. Of the entries received four art works have been chosen. Each of the four winning works is to appear on all four trucks and both the floating litter traps for no less than a year.

It is planned to continue this competition over the next few years so that additional students have the opportunity to see their work on the streets of Christchurch.

The schools are competing for the following prizes:

1. Each school entered will go in the draw for the major prize, a computer software package of their choice valued at \$3,000.
2. The schools that the four winning artworks come from will each receive \$500.
3. The four winning artists will each receive a super saver booklet of 10 movie tickets valued at \$80.
4. The schools which the winning artworks come from will be advertised beneath the appropriate artwork on each of the trucks and floating litter traps.
