

### **3. DEPUTATIONS BY APPOINTMENT**

#### **3.1 ROADSIDE PLANTINGS MR ALEC FORD, DEANS AVENUE PRECINCT SOCIETY**

Mr Alec Ford will be in attendance to discuss the submission of the Deans Avenue Precinct Society on berm plantings by individual landowners.  
*(Submission is attached as Attachment 1).*

#### **3.2 ARCON STREAM RESERVE PROPOSED PLAY EQUIPMENT INSTALLATION MR GARY BOURKE**

Local Masham Park resident, Gary Bourke, has requested speaking rights to the Board to oppose the installation of play equipment on Arcon Stream Reserve for the following reasons:

1. The present three lots of equipment are under used.
2. It would be a waste of ratepayers' funds to put in more equipment.
3. There are insufficient children in the area to use, ie there are approximately 15 children in Kintyre Drive. There may well be more in Broomfield but they have the Common gear.
4. The Board would be better advised to build public toilets which seem scarce – say at the truck stop on Carmen Road.

*Clause 4 of the agenda refers – Arcon Stream Reserve Proposed Play Equipment.*

#### **3.3 YOUTH INSEARCH – CHRISTCHURCH ESTABLISHMENT**

Grant Harris (Field Worker in Schools, Hornby) will be in attendance to speak and show a short video on the above. Grant will arrive after having first spoken to the Hagley/Ferrymead Community Board.
