

Officer responsible City Streets Manager	Author Dennis Morgan
Corporate Plan Output: Traffic Safety	

The purpose of this report is to submit the 2000/01 road safety programme for the Council's approval.

The Traffic Safety Co-ordinating Committee has considered the application to the LTSA for the allocation of Police hours for 2000/01. The summary sheets which form part of this year's application seeks a rise to cover salary increases related to the cost of living and a request for more funding for intersection safety. The requests for other projects remain as allocated for 1999/2000.

Chairman's

Recommendation: That the application to the LTSA for the attached New Zealand Road Safety Programme for Christchurch for the year 2000/01 be approved.
