Mary Sparrow (contract Researcher) will be in attendance at **4.15 pm** to make a presentation and to help clarify any queries.

The purpose of this report is to present to the Board the results of the community needs analysis for the semi-rural communities in the north-eastern fringe of the city.

These communities comprise of Kainga/Bridgend, Stewarts Gully, Riverlea Estates, Brooklands and Spencerville.

Copies of the research have been circulated to Board members under separate cover.

- Recommendation:**
1. That Mary Sparrow be thanked for her work.
 2. That the report be adopted.
 3. That the recommendations and findings of the report be referred to the Advocacy Team for follow-up.
 4. That the Advocacy Team report back to the Community Board in six months time on progress.
