

**15. HALSWELL DOMAIN SPORTS ASSOCIATION
REQUEST FOR FINANCIAL ASSISTANCE**

The purpose of this report is to seek the Board's consideration to making a grant to the Association.

Members will recall the recent purchase of six hectares of land adjacent to the Halswell Domain to allow further active recreational development to be planned in association with the Parks Unit.

It has been suggested that the Association assist in drawing up a development plan and a grant towards the costs is now being sought.

It is our view that this is a legitimate request and does recognise the significant contribution that the Association has made to the Council in securing this additional land.

Recommendation; That the Board consider a grant of \$500 to the Halswell Domain Sports Association to assist in drawing up the development plans for the extended Halswell Domain.

Chairperson's Recommendation: That the officer's recommendation be adopted.
