

14. HALSWELL PUBLIC TOILETS

RR 10842

Officer responsible Community Advocate	Author Roger Cave, Community Secretary
Corporate Plan Output: Riccarton/Wigram Community Board Vol 1, 3.1 text 6	

The purpose of this report is to seek Community Board consideration to the removal of the public toilets, sited adjacent to the Halswell Community Library.

Recent discussions with the local residents association, Property Unit and the Library and Information Unit have led to a request to consider the total removal of the toilets.

The toilets are open 24 hours a day and, as a consequence, have attracted antisocial behaviour, this being of real concern to would-be users and people who are at the library.

The library has good toilet facilities and there are others located within the area (at the Domain, local petrol station etc).

If the Board agreed, in principle, to the removal of the toilets the Property Unit would then take the necessary procedural steps to execute the decision.

Recommendation: That the Community Board agrees to the removal of the Halswell public toilets.
