

### **3. PRESENTATION OF PETITIONS**

#### **REZONING OF ST ALBANS FROM L2 TO L3**

A petition (see attached) will be presented by two members of the St Albans community in respect of the rezoning of St Albans from L2 to L3, reading:

1. I support the retention of the L2 zoning as mapped in the Proposed City Plan.
2. I was unaware that I had to take action to retain the Status Quo i.e. the L2 zoning.
3. I object to the fact that I was not effectively notified of the proposed rezoning to L3.

Two of the petitioners are seeking speaking rights in respect of the petition.
