At the Board meeting on 3 August 1999 it was decided that a sub-committee comprising Sue Wells, Ian Howell, and Lynda Carter be formed to contact all submitters to the Road Stopping Hearing held in November 1998, and discuss options for addressing pedestrian and traffic safety concerns in View Terrace.

A meeting was held on Thursday 19 August 1999 (see attached minutes) at which it was unanimously resolved that a petition be lodged with the Board requesting the implementation of Option One as outlined in the Council's proposal.

**Recommendation:** That the implementation of Option One be recommended to the City Services Committee.
