

### 3. PETITIONS

#### **The Merivale Precinct Society – Underground Wiring Saturn Overhead Wires**

A petition calling on the Council to:

- (i) As a matter of urgency, accelerate the undergrounding of all existing power services;  
and
- (ii) Require any future telecommunication providers such as Saturn to underground their services,

was referred to the Environment Committee by the Council at its July meeting.

Representatives of the Precinct Society have been invited to attend in support of the petition.
