

12. MAIN NORTH ROAD – P30 PARKING AT ANY TIME

Officer responsible City Streets Manager	Author Lindsay Eagle, Area Engineer

The purpose of this report is to seek the Board’s approval for the installation of a “P30 at any time” limit parking zone on the frontage of 18 Main North Road.

The Roundabout Records shop relies on the limited number of short term parking spaces being available along their frontage that they share with a hair salon and mercery shop. A conflict situation has arisen during extended weekend and daily shopping hours when bar and restaurant customers are legally parking long term and occupying all of the kerbside spaces. It is proposed that four spaces of the existing P30 area generally fronting 18 Main North Road be changed, to apply at all times.

The owners of the adjoining businesses have been approached and while they will not benefit to the same extent as the record shop, they agree with this proposal as it will remove some pressure from the on-site parking they provide for longer-term customers.

As Main North Road is classified a Minor Arterial road in this area, the Board’s recommendation will be referred to the Council for resolution.

Recommendation: That the parking of vehicles be restricted to a maximum period of 30 minutes at any time on the eastern side of Main North Road commencing at a point 40 metres south of the intersection with Loftus Street and extending in a southerly direction for a distance of 25 metres.

Chairperson’s Recommendation: That the officer’s recommendation be adopted.
