

20. 1999/2000 BOARD OBJECTIVES – PROGRESS REPORT

Officer responsible Community Advocate	Author Tony Gemmill
Corporate Plan Output: Fendalton/Waimairi Community Board Vol 1, 3.1 text 7	

The purpose of this report is to provide the Board with information on progress toward achieving its objectives and performance indicators for 1999/2000. The report also sets out a programme for further consultation with the community for adoption by the Board.

The table which **follows** details the progress to date with further action defined by the wording in bold.

As part of a wider programme of “consultation”/inspection within the community the Board may also care to develop a programme for visits to specific sites/industries/activities within its area. Typical examples of such visits could be Christchurch International Airport, the Antarctic Centre, Tait Industries, Jade Corporation, etc.

- Recommendations:**
1. That a further newsletter be scheduled for April/May.
 2. That a resident groups forum be held in March.
 3. That two meetings be held with representatives of local schools (in March and May).
 4. That a neighbourhood support group co-ordinators forum be hosted in April.
 5. That the Board identify specific opportunities for site visits to industries/activities within its community.

Chairman’s Recommendation: That the foregoing recommendations be adopted.
