

### 13. WATERWAYS AND WETLANDS CAPITAL WORKS PROGRESS REPORT

<b>Officer responsible</b> Water Services Manager	<b>Author</b> Ken Couling
Corporate Plan Output: Water Services Capital Outputs 9.3.44	

The purpose of this report is to provide the Board with information about Waterways and Wetlands work in progress in their area.

An officer from the Water Services Unit will be in attendance to answer questions about the **following** schedule.

Margaret Yorke, a teacher from Middleton Grange, has won a teacher fellowship from the Royal Society of New Zealand to manage the waterway restoration in schools programme for this year.

Water Services staff will elaborate on the two new schools projects at St Andrew's College and Heaton Intermediate. The project concept and community consultation proposed will be described and Board input into both sought.

**Recommendation:** That the report be received.

**Chairman's**

**Recommendation:** That the foregoing recommendation be adopted.
