

**21. BROMLEY COMMUNITY RESIDENTS INC  
- COMMUNITY CARNIVAL**

<b>Officer responsible</b> Senior Recreation Adviser	<b>Author</b> Helen Gallagher, Community Recreation Adviser
Corporate Plan Output: Board Discretionary Fund	

The purpose of this report is to ask the Board to consider underwriting the costs of a community event being organised by the Bromley Community Residents' Inc. This carnival event is to be held on Saturday 19 February 2000 between 4.00pm and 7.00pm at the Bromley Community Centre. It is to be a community event for the people of Bromley and is to involve a wide range of community groups actually taking part in activities.

The likely cost of mounting this event is approximately \$1,000. The organisers have a concern that, in the event of some unforeseen circumstances such as adverse weather resulting in a lower than expected attendance at the carnival, that there may be a deficit to be met on the costs of the event.

As the Bromley Community Residents' Inc is a newly-established group working very hard to build an identity and community spirit in its area, it has asked if the Hagley/Ferryhead Community Board could consider underwriting the cost of this carnival, up to \$1,000, from its discretionary fund.

- Recommendation:**
1. That the Board congratulate the Bromley Community Residents Inc on its initiative in organising this event.
  2. That the Community Board give consideration to providing underwriting funding of up to \$1,000 from the Board's 1999/2000 Discretionary Fund.

**Chairman's**

**Recommendation:** That the Officer's recommendation be adopted.
