FEEDBACK

Parents/feedback was good. The programme was enjoyed by the children with most wanting to attend next holidays.

Using Linwood Community Arts Centre for half the programme works very well. It helps break the day up for the children and keeps the children active. Transport is required if wet to travel to and from the Linwood Community Arts Centre. The programme will use the school hall instead of the Community Centre next time, due to space restrictions.

Overall the programme went really well and both Linwood Community Arts Centre and the Phillipstown Community Centre are keen to continue the partnership.

Chairman's

Recommendation: That the information be received and that Helen Gallagher be commended for organising an outstanding event.
