This report was submitted to the 24 November meeting of the Board, who **decided** to hold it over to today's meeting for consideration.

At the first meeting of this term of the Community Board (18 November 1998) the Board was asked to consider the continuation (of previous Boards) of appointing a member(s) to act in a liaison capacity between recognised resident groups and the Board.

It is widely acknowledged that community/resident groups have an important role in the process of community governance.

The Board, at its 18 November 1998 meeting, decided to continue the practice of appointing a member(s) to act in a liaison capacity with each of the established resident groups within the Board area.
