The purpose of this report is to seek funding from the Community Board's Discretionary Fund, towards an information/history board for Ernle Clark Reserve.

Board members will recall a report in early November 1999, concerning the naming of Ernlea Reserve, when the Board resolved:

- “1. That an information board providing appropriate historical details be installed at the Reserve.
2. That the Reserve name be “Ernle Clark Reserve”.”

The cost of an information board is \$5,000. The Parks Unit has \$2,500 available. The Board is asked to consider funding \$2,500 towards the information board from its 1999/2000 Discretionary Funds.

Recommendation: That the Board allocate \$2,500 from its 1999/2000 Discretionary Fund towards an information board at Ernle Clark Reserve.
