

11. CLIFTON NEIGHBOURHOOD PETITION

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, Area Engineer
Corporate Plan Output:	

In March this year the Board received a petition from the Clifton Neighbourhood Committee opposing the closing of a portion of Kinsey Terrace and requesting that the Council look into addressing the road problems of Tuawera and Kinsey Terraces.

The portion of Kinsey Terrace to be closed has been placed in abeyance as no agreement with the owner and the community could be reached.

The current Draft Budget shows funding becoming available for kerb and channel renewal in Kinsey Terrace in 2003/04 and at this time Tuawera Terrace is beyond the present five year plan.

Before any work commences on either street an agreement will need to be reached with the community as to what they require in their street. Some preliminary discussions have been held by EPPU as to what residents would like in Kinsey Terrace but there appear to be several opposing views. It is proposed that EPPU and City Streets Unit hold a workshop on Kinsey Terrace for all interested parties later this year.

Recommendation: That the information be received.
