

14. PROPOSED NEW RIGHT OF WAY NAME

Officer responsible Environmental Services Manager	Author Bob Pritchard
Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval of the Board to two new right of way names .

All names have been checked for similarity with existing names.

1. FER/98/494 Clifton Green Limited 118 Panorama Road

This subdivision creates nine residential allotments, five of which already have dwellings erected. The property apparently has an extensive coverage of native trees and shrubs. The applicants have submitted two Maori names for this right of way. Both have been checked with the Council's Maori Liaison Officer and cleared for use. The names are in order of preference : KAKARIKI LANE (Kakariki is the Maori name for the colour green. It is also the name for a native parrot.) TAREKE LANE (Tareke is the Maori name for Quail)

2. FER/20001440 GR & GA Hides 265 Mt Pleasant Road

This subdivision creates a new right of way off Mt Pleasant Road serving five new allotments. Two names are submitted, DISCOVERY LANE and ASPIRING LANE
There is no order of preference for these two names.

Recommendation: That the above names be approved.

Chairman's

Recommendation: For discussion.
