Officer responsible City Streets Manager	Author Lorraine Wilmshurst, Area Engineer
Corporate Plan Output: +	

The purpose of this report is to ask the Board to recommend to Council that the existing parking restrictions in Ferry Road from Heathcote Street to Catherine Street be removed and that no parking and 30 minute parking restrictions be imposed.

As part of the Woolston Mainstreet programme and to complete the road works that have been carried out in Ferry Road through the shopping area the parking restrictions along the south side need to be tidied up.

After consultation with the Woolston businesses it has been decided to remove the motorcycle stand and replace this with a P30 parking restriction.

Some of the 30minute parking restrictions have been removed and replaced with broken yellow lines, others now extend over redundant driveways. To tidy up all the parking restrictions on the south side of the shopping area and position signs in the appropriate places it is necessary to remove all existing restrictions and impose new ones.

Recommendation: That the Board recommend to Council
