

## 2. DEPUTATIONS BY APPOINTMENT

### 1. HALSWELL COMBINED SPORTS ASSOCIATION DEPUTATION HALSWELL DOMAIN RESERVE EXTENSION – DRAFT CONCEPT PLAN

On behalf of the Association, Mr Ron Fensom will be in attendance at today's meeting.

The Association seeks the support of the Board to the release of the draft Concept Plan for the extension to the Halswell Domain for public consultation (this will require Council approval).

Board members will be aware of this on-going project involving the Halswell Combined Sports Association and Council staff, to develop the domain at Halswell.

The Halswell area is an area that's population is increasing due to urban growth. There has been a lot of demand put on the sports fields and the passive recreation areas.

The Council has purchased six hectares at the southern end of the reserve. The area at the Northern end is still under negotiation.

The Halswell Combined Sports Association and Council staff, have completed a draft Concept Plan, which now requires comments from the larger community.

There is funding available next financial year (June 2000-2001) to develop the sports fields.

The draft Conceptual Layout has been circulated separately.

- Recommendation:**
1. That the Riccarton/Wigram Community Board recommend to the Parks & Recreation Committee that the draft Concept Plan be released to the Community for submissions.
  2. That submissions be heard by a sub-committee of the Riccarton/Wigram Community Board and that recommendations be made to the Parks & Recreation Committee.
  3. That a special thanks go to the Halswell Combined Sports Association for all the time and their community commitment in developing their community.

**Chairperson's**

- Recommendation:** That the Officer's recommendations be adopted and that the sub-committee (Recommendation No. 2) be made up of Alison Wilkie, Ishwar Ganda and Mike Mora.
