The purpose of this report is to get Board approval for the installation of a P5 drop off zone for the St Joseph's School.

The Council has received a request from the St Joseph's School to have a drop off zone installed on Vagues Road outside the school.

The principal concern was with vehicles double-parking when dropping off and picking up children. This was considered to be unsafe and to overcome this problem a short-term parking restriction is proposed.

The school supports the following recommendation.

**Recommendation:** That the parking of vehicles be restricted to a maximum period of five minutes between the hours of 8.00am to 9.00 am and 2.30 pm to 3.30 pm, Monday to Friday on the northern side (generally) of Vagues Road, commencing at a point 88 metres west from its intersection with the Main North Road and extending in a westerly direction (generally) for a distance of 25 metres.

**Chairperson's Recommendation:** That the officer's recommendation be adopted.
