

## 16. MURCHISON PARK TOTARA TREES

<b>Officer responsible</b> Community Advocate	<b>Author</b> Barbara Lindsay, Community Secretary
Corporate Plan Output: 3.1.text.27	

The purpose of this report is to set a date for a tree-planting ceremony in Murchison Park.

### BACKGROUND

Members will recall that the Board allocated funds for Year 2000 Projects at the 1 September 1999 meeting. Two tree-planting projects were allocated \$1,000 each, for the planting of 20 totara trees in both Murchison Park and in the redeveloped English Park, with appropriate plaques.

The English Park plantings will need to be held over until the redevelopment project is underway.

### PLANTINGS

The trees for Murchison Park will be purchased before the end of this financial year and the planting can take place any time within the winter months. The suggestion has been made that Board members could carry out the plantings.

**Recommendation:** That a date be set when Board members undertake the planting of totara trees at Murchison Park.

**Chairperson's Recommendation:** That the planting be carried out on Thursday, 22 June at 1.00 pm (the shortest day) with the possible involvement of Redwood School pupils.
