Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval of the Board to one new right of way name.

All names have been checked for similarity with existing names:

This subdivision creates eleven new allotments, served by a private right of way which will be fully formed and sealed as a condition of subdivision consent.

The applicant has submitted the name VANGELIS LANE (Vangelis is the composer of the stirring “Conquest of Paradise”, currently being used by the Canterbury Crusaders as their theme.) (See attached)

2. Clearwater Resort subdivision - Papanui Ward

This subdivision creates a new road off Johns Road and three new rights of way. The developing company has negotiated with the owners of the properties served by the existing right of way adjacent to the resort to use the name Clearwater for the main entrance road to the resort. The owners of the right of way are proposing a new name for the right of way. The name CLEARWATER AVENUE is proposed for the Resort entrance road, the three rights of way are proposed to be FIRST LANE, SECOND LANE and THIRD LANE, and the replacement name for what is currently Clearwater Lane, be WILLOWCREEK LANE. (See attached)
