The purpose of this report is to seek funding for the Rutland Street Kindergarten to redevelop its playground.

The Rutland Street Kindergarten applied through the Council's Community Development Scheme for assistance with the development of the outdoor play area to cater for children with special needs.

The total cost of the project is \$16,000. The Kindergarten has raised \$12,000 through fundraising activities, not grants. Attached is a detailed list of changes to be done to redevelop the play area.

The amount requested from the Board is \$4,000.

Recommendation: That the Board grant \$4,000 from the 1999/2000 Community Services Fund to Rutland Street Kindergarten to redevelop its play area.

Chairperson's Recommendation: That a grant of \$2,000 from 1999/2000 Community Services Fund be made to the Rutland Street Kindergarten, and an onsite visit be held; and this Board invite the Kindergarten Association Management Committee to the next Deputations Meeting.
