

12. FORD ROAD PARKING RESTRICTION

Officer responsible City Streets Manager	Author Michael Thomson, Pedestrian Advocate
Corporate Plan Output: Traffic Signs and Markings	

The purpose of this report is to formally resolve a part time parking restriction on Ford Road to improve visibility for children crossing at the new patrolled crossing point.

A restriction on parking of vehicles on the north side of Ford Road will improve visibility of approaching vehicles from the west outside Opawa School at the school crossing (refer attached plan). Residents have been consulted and have agreed to a part time restriction during peak activity at the school, (similar to a restriction recently installed in Albert Terrace for St Martins School).

Recommendation: That the stopping of vehicles be prohibited on the north side of Ford Road, commencing at a point 170 metres east of Hawford Road and extending in an easterly direction for a distance of 20 metres, between the hours of 8 am to 9 am and 2.30 pm to 3.30 pm on school days.
